

## PRIVACY POLICY

Our privacy policy last was updated on 17 **September 2024**

**Eden Environmental and Poverty Alleviation Research (EEPAR)** respects the privacy of our users. This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you visit our website.

Please read this Privacy Policy carefully. **If you do not agree with the terms of this privacy policy, please do not access the website.**

We reserve the right to make changes to this Privacy Policy at any time and for any reasonable reason. We will alert you about any changes by updating the “Last updated” date of this Privacy Policy. You are encouraged to periodically review this Privacy Policy to stay informed of updates. You will be deemed to have been made aware of, will be subject to, and will be deemed to have accepted the changes in any revised Privacy Policy by your continued use of the website after the date such revised Privacy Policy is posted.

This Privacy Policy does not apply to the third-party from which you access the website, including any in-game virtual items, which may also collect and use data about you. We are not responsible for any of the data collected by any such third party.

### **Collection of Your Information**

We may collect information about you in a variety of ways. The information we may collect via the website depends on the content and materials you use, and includes: Personal Data, demographic and other personally identifiable information (such as your name and email address) that you voluntarily give to us when choosing to participate in various activities related to the website, such as chat, posting messages in comment sections or in our contact form, liking posts, sending feedback, and responding to articles.

If you choose to share data about yourself via your profile, online chat, or other interactive areas of the website, please be advised that all data you disclose in these areas is public and your data will be accessible to anyone who accesses the website.

### **Derivative Data**

Information our servers automatically collect when you access the website, such as your Native actions that are integral to the website, including liking, applying to be a volunteer, or replying to a post, as well as other interactions with the website and other users via server log files.

### **Push Notifications**

We may request to send you push notifications regarding your account or the Application. If you wish to opt-out from receiving these types of communications, you may turn them off in your device’s settings.

## **Use of Your Information**

Having accurate information about you permits us to provide you with a smooth, efficient, and customized experience. Specifically, we may use information collected about you via the website to request feedback and contact you about your submitted information.

## **DISCLOSURE OF YOUR INFORMATION**

We may share information we have collected about you in certain situations. Your information may be disclosed as follows:

### **By Law or to Protect Rights**

If we believe the release of information about you is necessary to respond to legal process, to investigate or remedy potential violations of our policies, or to protect the rights, property, and safety of others, we may share your information as permitted or required by any applicable law, rule, or regulation. This includes exchanging information with other entities for fraud protection and credit risk reduction.

### **Online Postings**

When you post comments, contributions or other content to the website, your posts may be viewed by all users and may be publicly distributed outside the website in perpetuity

### **Third-Party Websites**

The website may contain links to third-party websites and applications of interest, including advertisements and external services, that are not affiliated with us. Once you have used these links to leave the website, any information you provide to these third parties is not covered by this Privacy Policy, and we cannot guarantee the safety and privacy of your information.

Before visiting and providing any information to any third-party websites, you should inform yourself of the privacy policies and practices (if any) of the third party responsible for that website, and should take those steps necessary to, in your discretion, protect the privacy of your information. We are not responsible for the content or privacy and security practices and policies of any third parties, including other sites, services or applications that may be linked to or from the Application.

### **Security of Your Information**

We use administrative, technical, and physical security measures to help protect your personal information. While we have taken reasonable steps to secure the personal information you provide to us, please be aware that despite our efforts, no security measures are perfect or impenetrable, and no method of data transmission can be guaranteed against any interception or other type of misuse. Any information disclosed online is vulnerable to interception and misuse by unauthorized parties. Therefore, we cannot guarantee complete security if you provide personal information.

## **Contact us:**
